

Hi, thought club members might be interested in this You Tube of World Ducati Week 2007 my DeFazio Ducati won third prize in the Ducati Garage Contest. If you click the link, it shows me receiving the award by Casey Stoner and Caparosi, the motor GP riders. Also in the clip is John Carlo Flappa, a famous old racer. There were over 20,000 Ducatis in the Misano Race Circuit. I had a wonderful week in the sun.
