

Please circulate this email to all who Marshalled on the Tour of Hamsterley Rally.

The organisers would like to say a big thank you to everyone who turned up to help with the Tour of Hamsterley Rally. It wouldn't have run without the help of dedicated enthusiastic marshals / radio operators / rescue and recovery crews. Hopefully you all enjoyed the event and didn't find the weather too bad. The midges were out in force in Hamsterley and hopefully you all heeded the advice in Newsletter 3 about taking repellent (I was in a car most of the day and still got bites...).

The prize draw was won by N. Hudson, P. Robinson, J. Jackson, Nick Coleman and Tom Herron. We had 191 Marshals on the event, each were numbered and I got 5 random numbers picked out from independent people while en route. (I got funny looks when I asked strangers to choose any number between 1 and 191...). There was I believe some who didn't get anything at sign-on due to running out of goodies, I can only apologise for that as we got more marshals than we were expecting.

I have included a copy of the final results from the rally, more comprehensive results can be got by visiting the website <http://www.tourofhamsterley.co.uk/results.html> .

Hopefully no one had any major problems and you are more than welcome to join us again next year if you like to. If you have any comments good or bad, please send them to myself..
